The man is made of fruits and vegetables  
that grow in autumn.

His nose is a pear.  
His ear is a mushroom.  
He has got an apple as his cheek.  
His hair is made of grapes.  
He has got a pumpkin as a hat.  
On his head is a crown made of vine leaves.  
His mouth is a chestnut.  
His neck is made of a turnip, a carrot and a potato.

Autumn -Giuseppe Arcimboldo (1526-1593)
